April

class newsletter

a note from the teacher

I hope everyone had a wonderful Spring Break. I can not believe we are already in the month of April. The students are growing and learning more each day. Thank you so much for your help with the Writing Journals. I enjoy reading them.
Please continue to have your child work on RazKids, Lexia, and Dreambox.

What We're Learning

Reading- We are exploring Using Humor books by Helen Lester. Students will compare and contrast Helen Lester books. They will also relate the stories to their own lives.

Phonics- O word sounds with EW, UE, OO .

Math - Students will explore fractions. They will find equal parts of a whole and name them with fractions. They will determine if a block is half of another block.

Science- Students will learn about the oceans and the ocean marine life.

EXTRA! EXTRA!

We have 2 April Birthdays to celebrate this month. They both fall on the same day!!

Jesus-18th
Austin- 18th
