March

class newsletter

a note from the teacher

Happy March! Can you believe how fast this first grade year is flying by? We are all looking forward to the warmer weather that is approaching. Our students are really trying hard and showing so much growth. Please continue to work with your child at home. It really does help! Please read and practice sight words everyday. Also, please be sure your child completes their daily homework.

mark your calendar

IMPORTANT DATES IN MARCH

3-2 NO SCHOOL/PULASKI DAY
3-3 Traveling Reptile Show/In School Fieldtrip

What We're Learning

COMPUTERS: Please continue to work on Lexia at home. The kids are doing a great job at school and at home. It sure is showing!
SCIENCE We will be completing our unit on Reptiles and begin learning about Insects.
READING/PHONICS: We will continue sentence formation, sounds, and word families. We will begin learning long vowels and silent E. We will be adding to our theme of exploring non-fiction by reading books that explore Q & A and invite the students to share their own thinking and curiosity.
MATH:We will continue learning measurement, adding, subtracting, word problems, place value, money, time, and shapes.
SOCIAL STUDIES: Community, spring fun & holidays, maps, directions, state, city, address, phone number, birth date, school

EXTRA! EXTRA!

February 24th we celebrated Angel's 7th b-day! Avery is turning 7 on March 5th!
If you have any questions or concerns about your child's report card, please feel free to reach out to me to discuss. They did a good job. I am proud of them.
I hope everyone has a safe, relaxing, and fun Spring Break! I can't wait to hear about all the kid's adventures! and have them share!
