

Caring for the Health and Well-being
of Your Child from Cradle to Career

At Alzein Pediatrics, our award-winning physicians and medical professionals consider it both a great joy and a remarkable responsibility to care for your infants, children and young adults, from birth to age 26.

We'll help your children reach their highest potential - physically, emotionally and developmentally - by providing the latest evidence-based medicine in our nurturing environment.

Your medical professionals at Alzein Pediatrics care for your child's health with experience, knowledge, kindness and patience.

We'll partner with you for your child's health, taking the time to listen and answer questions in detail, ensuring that your family feels comfortable at every appointment. You can make an appointment early mornings or late evenings and on the weekends, or you can bring your child to our pediatric Urgent Care.

Hassan Alzein, MD, board certified, is an award-winning pediatrician, providing well-respected health care and advanced pediatric care since 1994.

Nadya Dillon, MD, board eligible, completed her pediatric residency and earned her MD at SUNY Upstate Medical University. She is a valuable resource to families with adolescent children.

Jessica Lee, MD, PhD, board certified, served her pediatric residency at Ann & Robert H. Lurie Children's Hospital. She enjoys caring for kids with complex health needs such as Down syndrome and autism.

Katherine Riff, MD, board certified, graduated from Emory University School of Medicine, has extensive experience in complex pediatric care and treats behavioral and mental health issues.

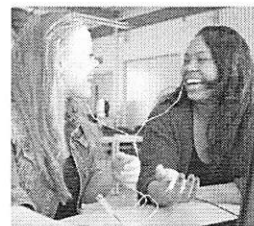

Anas Jaber, MD, board certified, completed his pediatric residency at St. John Hospital and Medical Center, is an inpatient pediatric hospitalist and treats our Urgent Care patients.

Nida Yousef, MD, board certified in pediatrics and cardiology with a Pediatric Cardiology Fellowship, provides uncommon and expert heart care.

Engage with us on social media and sign up for our e-newsletter to stay informed about the latest advances in pediatric care.

Our website alzeinped.com offers you comprehensive up-to-date information, resources and child-rearing and health guidance. You can also learn more about our providers, find our locations, discover all our services, make an appointment, access your child's patient portal, complete forms, and pay your bill online.

Angela Boomsma, APRN, MSN, FNP-BC, CPNP-AC, CPN, CLC, board certified, holds specialty certifications in family practice, acute care peds, pediatric nursing, and lactation.

Stephanie Cermak, PA-C, earned a Masters Of Physician Assistant and is licensed in Illinois. She has a friendly bedside manner, ensuring children and parents are comfortable and happy.

Kaitlyn Frank, MSN, APN, FNP-BC, CPN board certified, is a certified Family Nurse Practitioner and Certified Pediatric Nurse with NICU, newborn and pediatric wellness experience.

Kathleen Galyean, PA-C, board certified, earned a Masters Of Physician Assistant and is licensed in Illinois. Her love of pediatrics began when growing up in a large Irish family in Chicago.

Kim Reule, MSN, APRN, FNP-C, is a certified Family Nurse Practitioner, a certified Lactation Counselor and leads our Baby Basics program.
