

Mrs. Padilla's Class

READING

We began the school year with learning our classroom Friendship Pledge with the bestselling duo Stick and Stone. Friendship ROCKS!

PHONICS

First grade students are beginning the year with some phonics review. We are reviewing syllables, long and short vowels and consonant clusters. Second grade students are reviewing double consonants, middle consonants and blends and diagraphs.

Reminders

Please bring your green folders back to school daily.
Thank you!

MATH

We are beginning the school year with exploring different math tools! Students will learn to use different supports and strategies in order to be successful in math!

HOMEWORK

Students will be assigned homework most days. Homework might include games to play at home. It will also include daily sight word practice and math fluency. Be sure that they are bringing back their best work! No homework will be assigned on weekends.
