

Dear Parents:

Welcome to the 2021-2022 school year. We are looking forward to an exciting and fun-filled year ahead. Here are a few points to get our school year started.

### **MASKS**

Masks are required to be worn by all students, staff and parents in the school building. Please practice mask wearing with your child so they are able to comply with this requirement.

### **COMMUNICATION**

I will be sending home weekly newsletters to keep parents informed of what is happening in the classroom. If at any time you have questions or concerns, please feel free to contact me. You may e-mail me at [cbrychel@ahsd125.org](mailto:cbrychel@ahsd125.org). You may also send a note to school or call the school office at (708) 423-3078. I am in the building between the hours of 8AM and 3PM and I check my e-mail daily.

I also use a messaging program, “Seesaw Family”, to encourage on-going, two-way communication between teachers and parents. This app will also encourage on-going, two-way communication between teachers and parents. This is a free, secure messaging program that can be used on any iPhone or Android device and allows you to communicate easily via secured messaging. This method of communication is meant for non-urgent questions and information. Parents should call the school office at (708) 423-3078 for any urgent matters (such as bus issues, changes to dismissal, etc).

### **SNACK**

We have a short snack time each day. Each student should bring a small snack to school. Milk can be ordered by calling the school office. If your child does not want milk, they may bring juice or water for snack. Please do not send pop. Snack time is a wonderful time for the students to learn about responsibility! Each month, students make a placemat to use at snack time which will come home at the end of the month. After snack, the students are responsible for cleaning up their own snack and wiping off their placemats.

### **BIRTHDAY TREATS**

Due to the current COVID-19 circumstances, birthday treats will not be allowed this year. However, we will celebrate each child’s birthday with a special song and birthday crown to make sure he/she feels special!

## **CHANGE OF CLOTHES**

Please send a change of clothes to school with your child in case of an accident or spill. Please include an extra mask, t-shirt, long pants (**no shorts, please**), socks, and underwear. We will keep the clothes at school and return them at the end of the school year. If your child wears diapers/pull-ups, please send us a supply to have in the classroom.

## **DAILY ROUTINE**

Routines are very important to students in Early Childhood. Here is what our day typically looks like:
