

## PRESCHOOL FOR ALL NEWSLETTER

DECEMBER 2019

I hope everyone had a wonderful Thanksgiving! It was so nice meeting with everyone at Parent-Teacher conferences. December is packed with many fun events, including a visit from Santa and his elves and our all school field trip to Moraine Valley to see the production of *Beauty and the Beast*. We are also looking forward to decorating gingerbread houses with our families this week!

Our Building study continues this month. We will focus on the question "Who builds buildings and what tools do they use?" The students have enjoyed looking at pictures of different buildings, making a map of familiar buildings in the neighborhood and creating their own buildings. We will also work on our Christmas theme this month. We plan to play a letter/sound matching game with Christmas presents and practice counting with one-to-one correspondence with a Christmas tree decorating activity. We will also work on visual discrimination skills with a game of Christmas Bingo! Despite the excitement of the season, we will be working hard and learning new things!

We are certainly looking forward to Christmas and a little break from school! We have a lot of fun activities planned when we return to school in January! I hope everyone has a wonderful holiday season and a happy new year!

Sincerely,

Mrs. Colleen Brychel
