

PRESCHOOL FOR ALL NEWSLETTER

JANUARY 2021

I hope everyone had a wonderful holiday season and a healthy and relaxing two week break! I miss my friends so much and I can't wait until we can be together in person again next week!

CLASSROOM HAPPENINGS

While December certainly wasn't a typical month, I really enjoyed seeing how hard the students worked during remote learning! It was wonderful seeing so many faces on our daily Zoom calls and seeing everyone's work on Seesaw brightened my days! I especially loved seeing how great the gingerbread houses turned out! I would like to thank everyone for your hard work and support during these difficult weeks. I know it was not easy transitioning to a month of remote learning but I feel it was a success because of your support! Hopefully, this will be the final week of remote learning for the year and we can continue to be in-person with our hybrid model for the remainder of the school year!

In January, we will start the month working on our Snowman/Winter theme. When the students return next week, we will begin working on our next study, which is the Clothing Study. Some of the questions we will be looking at as we begin the study are "What do we know about clothes?" and "What are the features of clothes?". We look forward to exploring this new topic with some fun activities!

OUTDOOR TIME

Just a reminder, we do try to get outside for our gross motor time when the weather permits. This means we spend time outside when the temperature (with wind chill) is 30 degrees or above. Please remember to dress your child appropriately, including warm coats, hats, gloves and scarves. We greatly appreciate your cooperation!
