MARCH 2023

The countdown to spring is on! It feels so good to see the sunshine and enjoy a little more time outside! March is a short month but very busy!

CLASSROOM HAPPENINGS

February was a fun-filled and busy month! We worked on our Valentine's Day theme at the beginning of the month. We practiced our graphing skills by sorting candy hearts and adding them to a graph. We made special valentines and the kids loved making their unique love bugs! After Valentine's Day, we also spent some time learning about dental health. The kids really enjoyed our experiment where we practiced brushing our "teeth" using a dirty hard-boiled egg. We also made a mouth using marshmallows as teeth. We ended the month working on a study of the Mo Willems book in preparation for Reading Night. We painted elephants and piggies and we did a counting game where we counted out fruit for the pigeon to eat. For a short month, we sure did pack in a lot of fun!

In March, we will work on a St. Patrick's Day theme, as well as begin our Spring theme. We are looking forward to some fun letter and number activities using gold coins and finding out what happens when we combine Skittles and water! We have another busy month ahead of us!

READING NIGHT

Our annual Lawn Manor Reading Night will take place tonight, Thursday, March 2 from 6:00-8:00. This year's theme will be the books of Mo Willems (The Elephant and Piggy books, The Pigeon books, Knuffle Bunny, etc). Join us for a night of fun, including a flashlight reading room, crafts, Bingo, snack shop, obstacle course and the book fair!

REMOTE LEARNING DAY

Early Childhood and Preschool students will have a remote learning day on Wednesday, March 8 so Mrs. Brychel and Mrs. Alvarez can attend a conference. Activities will be posted on Seesaw at 8:00 Wednesday morning.
