

PRESCHOOL FOR ALL NEWSLETTER

NOVEMBER 2019

November already! Wow! We had a wonderful time celebrating Halloween and now we are ready to move on to our next holiday! We will be busy this month! We will be discussing Thanksgiving and all the things we are thankful for, including our families.

We will also be starting our Building Study and we will learn about different types of buildings, what buildings are made of, who builds buildings and what happens inside buildings. We will have different opportunities to learn about buildings throughout our school day as we play with and explore different materials.

As always, learning activities will be embedded in our play activities. During work time, the students have the opportunity to engage in activities that include dramatic play, creating in the art area, reading books in the book area and exploring in the science center. They can also work in the manipulatives area or build in the block area. The students have a broad range of interests and are enjoying the variety of activities in the classroom!

This month, we are looking forward to our community event at Luv 2 Play on Thursday, November 7, from 5:00pm-7:00pm. We look forward to seeing everyone that evening. Parent-teacher conferences will be held on Monday, November 25 and Tuesday, November 26. I look forward to meeting with everyone on these days!

If you ever have any questions or concerns, please contact me at cbrychel@ahsd125.org or (708) 423-3078. You may also message me through the Remind app!

Sincerely,

Mrs. Colleen Brychel
