

We Educate Our Future

Atwood Heights School District 125

Dr. Samuel A. Rizzo Administrative Center

12150 South Hamlin Avenue Alsip, IL 60803 | P: 708.371.0080 | F: 708.371.7847 | ahsd125.org

Mrs. Lisa Cole | Superintendent of Schools

Dear Parents/Guardians:

As we enter the winter months, District 125 would like to update you on decisions that contribute to closing school in the event of a weather-related closing and when you can expect to be notified. I thought it might be productive to share this information with you in advance of any severe weather.

The District is committed to a process that ensures decisions are made wisely and in a timely fashion regarding the safety and well-being of our entire school community.

The District will follow these general guidelines when closing schools for winter-related closings:

Schools will be closed if there is a forecasted sustained wind chill of -30 degrees Fahrenheit or colder, or when the actual temperature is a sustained -15 degrees Fahrenheit or colder between the travel times of 5:30 a.m. and 9:00 a.m. and/or 2:30 p.m. and 5:30 p.m. The District will use forecasts provided by the National Weather Service.

For snow, ice or other weather-related closings, the District will monitor the current conditions, the forecasted conditions between the travel times listed above, the ability of our staff to plow parking lots and sidewalks, as well as the ability of local municipalities to plow and make streets passable. The District will also be in contact with its transportation company to assess their ability to safely run buses. In these situations, the District will be in contact with local and State officials and meteorologists in order to make the most appropriate decision with the facts known at that respective time.

If school will be closed, the District will make the notification on or before 5:30 a.m. the day of the closing knowing that you may need to arrange for childcare or other schedule changes. If the District is able to make the determination the night before to close school - meaning the forecast undoubtedly warrants closure - the District will attempt to notify you between 6:00 p.m. and 9:30 p.m.

Typically, the District does not send out a telephone Blackboard notice after 9:30 p.m., as the system can sometimes take up to an hour or so to complete all calls. However, if the determination to close school occurs after 9:00pm, we will update the District 125 website, Facebook and the Emergency Closing Center Website as soon as a decision has been made. The Blackboard messaging notice will be also sent prior to 5:30 am the following morning.

In the event of severe weather, information regarding afternoon and evening co-curricular activities/athletics will be updated by 1:00 p.m. or whenever practicable on the District website at <http://www.ahsd125.org>.

In the event the district keeps schools open, but a parent or guardian determines conditions are not safe for their child to safely travel to or from school, school code and district policy state the parent or guardian has the right to keep their child home as an excused absence.

As always, the safety and security of our students and staff remains a top priority of our District, as they are for you as well.

Thank you for taking the time to read and consider this correspondence. Fingers crossed for a mild winter..

Sincerely,

Lawn Manor Primary Center

Heather Wills | Principal
