708-423-3078

### Special Reminders:

- \*Please make sure your child reads every night and returns the signed homework assignment sheet.
- \*Please make sure gym shoes are worn to school on gym days!(Monday, Thursday)

### What we are learning:

**Math Investigations:** We are learning how to find different combinations of numbers. Also continuing with problem solving using different strategies.

**Reading :** Our new theme is “The Importance of Kindness” We will be learning to treat others with kindness and respect. We will be discussing our read alouds along with doing acts of kindness for others.

**Phonics:** We are learning how to spell and read words with the double consonants. Then we will focus on adding s and es to change words.

**Science:** We are completing our study of birds and will be looking at the animal groups of fish, and then reptiles.

### Special Note:

I really enjoyed meeting with you to talk about your child. I also want to wish you all the best for the New Year! Enjoy your family time!!
