

# October

## Mrs. Lambert's First Grade Gazette

### Important Dates:

**6<sup>th</sup> Fall Picture Day**

9<sup>th</sup>-No School Indigenous  
People Day!

31st-Halloween Parade 9a.m

Early Dismissal 11:15

### What we are learning:

**Math Investigations:** Ready to begin Unit Two, focusing on composing 2-D Shapes, sorting shapes and classifying shapes by their attributes.

**Fundations: (phonics)** We are continuing to tap words to read and spell. We will soon be focusing on digraphs: sh,th,wh,ch,ck and the shared sound each make.

**Reading:** We have read a few themes on family and friendship along with author studies. Currently will be reading counting books and non-fiction books in our next theme. We are working on building fluency and our high frequency word banks through our ***Guided Reading*** Groups. Reading every night will increase reading fluency!

**Science:** We have studied characteristics of mammals. We learned that some mammals can be herbivores or carnivores. Mammals can live in the ocean and on land. They come in all sizes too!  
Our Second animal group will be birds.

### **Special Reminders!!**

- \*\*Please sign the homework assignment sheet daily along with the book title that your child read!
- \*\*Please have your child eat a good breakfast before coming to school!
- \*\*Please have your child practice tying their shoes!!
