Math

In math we are working on patterning in many different ways. During math we have been discussing attributes (color, size, shape). We have been talking about measurement and we have measured almost everything in our room!

Monthly Themes

Our December themes are The importance of Kindness, The place you call home, and Eric Carle

Reading

In the month of December it is the perfect time to celebrate similarities and differences around us. We have lots of activities before winter break begins. We will be taking pictures with Santa, and preparing for Winter Wonderland. On 12/21 all Kindergarten classes will be invited to play games and socialize with their grade level peers at our Winter Wonderland.

Important Dates

11/30- pictures with Santa
12/8- Fishmas performance
12/16- Grinch Day
12/21- Early Dismissal 11:15
Enjoy your time away from school!
1/9 - Return to School

Fountas & Pinnell

In Kindergarten we will be teaching a collection of one hundred phonics lessons. All of the lessons invite children explore language and how it works. We will be engaging in reading, writing, and talking during each lesson. It is essential for all readers and writers to have a wide range of word-solving strategies that they can use. In Kindergarten we will introduce and revisit many of the lessons throughout the year.

Extension at home

- Have your child dress themselves.
- Practice tying shoes!
- Practice writing your first and last name.
- Count everything you see.
- Have a discussion about stories you read together.
