Math

In math we have started a new unit. In this unit we are focusing on recording measurements with pictures, numbers, and/or words. We continue to develop strategies for accurately counting sets of objects by ones. We have been playing many games that help us work on counting and addition skills. Our next investigation will revisit counting.

Reading

The place your call home and *Living and Working Together in a community* are the themes we will be reading about this month. We have many different types of homes and ideas as to what makes a house a home! I will start to send homework on Tuesdays and Thursdays. Please help your child complete and return the work.

Fountas & Pinnell

Our curriculum allows us the opportunity to play games in order to learn new skills. We are going to practice writing and reading word families. I.e: cat, rat, sat is a word family. You will see word families on your homework as well. The Kindergarteners have already noticed that word families also rhyme!

Monthly Themes

Our January themes are Artic Animals & Winter / Weather.

Important Dates

1/14- hot dog lunch
1/15 - Principal's Lunch
1/20 - NO SCHOOL MLK day

January Poem

Martin Luther King Jr.

We remember MLK,
Honored on this special day.
He has a dream that we would
stand
United together in this land,
That we would strive to find a
way
To live as friends in peace
today.
