Important Dates to Remember

1st – Report Cards sent home

4th – No School – Teacher Institute

7th – Spring Pictures; Reading Night

12th – Hot Lunch

25th–April 1 – Spring Break

Classes Resume Tuesday,
April 2, 2024

Homework

Thank you for helping your child complete and return their homework. Homework will generally be studying/practicing spelling words, reading, or math. Occasionally, homework will be assigned on one of our on-line learning platforms. Please practice reading on a daily basis!

Reading

We've just begun a theme featuring Folktales; these are some really great stories, and the kids love hearing them and figuring out what the message of the tale is. We will focus on story elements: characters, setting, problem, and solution.

Math

We are working on number combinations (math facts). While we don't do timed tests, practicing math facts with flash cards for a few minutes each night is a great way to improve fluency. This will help as we move on to adding and subtracting larger numbers.

Phonics

We have been learning about silent e and will continue that through the next few weeks. Then we will move on to two syllable words.

Please continue to study sight words.

Reminders

Our gym days are Thursday and Friday – your child must have gym shoes! Also, if you choose to send a treat for your child's birthday, it must be individually wrapped (fruit snacks, Rice Krispie treats, etc.). No cupcakes! Thank you for your cooperation!

LET'S HAVE A GREAT YEAR!
