Homework

Homework will generally include studying spelling words, reading, and math. Your child should have their homework written on their assignment sheet each day, and it must be returned to school the following morning. Thank you for checking that homework is completed.

Reading

We are beginning our new theme Simple Biographies, and then will continue our non-fiction focus by moving on to an author study of books by Gail Gibbons in which we will study the natural world through a variety of texts.

Math

We just finished a unit on different types of graphs, and are about to learn about simple ratios. We will continue to review money, time, and addition and subtraction.

Phonics

We are learning more vowel teams (ou, ow), and then we will be exploring the -le final syllable. Please continue to study for spelling tests.

Reminders

Our gym days are Thursdays and Fridays – your child must have gym shoes! As the weather improves, gym and recess will be outside as weather permits. Please make sure your child is dressed for the weather.

LET'S HAVE A GREAT YEAR!
