May 2 – Fun Day

May 3 – Teacher Institute; No
School

May 7 – Hot Lunch

May 21 – Hot Lunch

May 27 – Memorial Day – No
School

May 30 – Last Day of School

Homework

Thank you for helping your child complete and return their homework each day. Daily reading with your child, whether you are reading to them or they are reading to you, is the greatest way to encourage your child not only to learn to read, but love to read!

Reading

Our new theme is Understanding the Natural World. These are mainly non-fiction selections and will tie in nicely with our Science unit which will focus on life cycles and plant systems (roots, stems, and leaves).

Math

We have started learning about pennies, nickels, dimes, and quarters. We will move onto simple fractions (halves, thirds, and fourths) after our money lessons.

Spelling

We finished studying suffixes added to a base word (-ed, -ing), and are now studying different vowel pairs. Thank you for helping your child study for their spelling tests!

Reminders

Please remember gym shoes on gym days (Thursdays and Fridays). Also, as the weather gets warmer, please send water bottles with sport caps, or other secure caps to minimize spills.

Thank you!
