Important Dates to Remember

May 9th - Hot Lunch

May 10th - Field Trip - Brookfield Zoo

May 12th - Step Up Day to Meadow Lane

May 19th - Fun Day

May 23rd - Hot Lunch

May 29th - Memorial Day - No School

June 2nd - Last Day of School

SeeSaw

Homework will generally include studying spelling words, reading, and math. Your child should have their homework written on their assignment sheet each day, and it must be returned to school the following morning. Thank you for checking that homework is completed.

Reading

Currently we are exploring some exciting selections. We will be delving into simple biographies of an eclectic group of people, we will explore phenomena in the natural world, and learn about working together as a community.

Math

We are currently in our measurement unit. We learned how to measure using inches, feet, and centimeters, and are learning about measuring volume (cups, pints, quarts, and gallons). We will review elapsed time, graphs, and calendars.

Writing

We are getting more proficient at writing five sentence paragraphs with a topic sentence, three detail sentences, and a wrap-up sentence. We will continue to fine-tune our writing skills by using more descriptive vocabulary and, of course, printing neatly with correct use of capitalization and punctuation.

Reminders

Gym days are Thursday and Friday. Please remember to wear gym shoes on those days. Library books are due on Tuesday.
