November 20th – Thanksgiving Celebration
Parent Conferences as Scheduled (Regular
School Day for Students)

November 21st – Parent Conferences
8:00a.m. – Noon (No School for Students)

Classes resume Monday, November 27th

Homework

Thank you for helping your child complete and return their homework the next day. Please read every night - daily reading with your child, whether you are reading to them or they are reading to you, is the greatest way to encourage your child not only to learn to read, but love to read!

Reading

Students have been learning different comprehension skills such as identifying fiction or non-fiction, determining different types of fiction, and understanding cause and effect. We continue to practice identifying main characters, setting, problem and solution.

Math

We are studying story problems and how to find the information needed from the story in order to solve the problem. We are learning strategies for adding and subtracting (counting on, using a number line, drawing a picture, etc.).

Phonics

Please continue to study sight words and spelling words - it really does make a difference! We finished our digraph unit and are now on to words that end with double final consonants and then adding suffix -s to a base word to make it plural.

Reminders

Our gym days are Thursday and Friday - your child must have gym shoes! Library is on Tuesday - please make sure your child returns their book each week. Also, if you choose to send a treat for your child's birthday, it must be a non-edible item such as a pencil, sticker, etc.

LET'S HAVE A GREAT YEAR!
