

# January

## Homework-

Please make sure students are reading every night and practicing their sight words.

Kindergarten News!!

## Math-

We are on Unit 4 Measuring and Counting. Students have been measuring with different tools. They are developing strategies for measuring the correct length of an object. We are also combining two amounts together and making number sentences.

## Reading-

Our theme this month will be community. The books in this unit are about different communities. They will learn about people and places that make up a community, and the different roles that people in the community play.
