

April

Please read with your child every night. Ask them questions from the story to help improve their comprehension.

April Newsletter

Math-

We are starting a new unit "Sorting and Surveys". Students will be making a representation of a set of data. They will also be conducting and carrying out data investigations. Students will be skip counting by 2's and 5's.

Reading-

Our themes this month are "Learning How to Be Yourself". Students will read and discover that it is more fun to be yourself than imitate someone else.

Important Dates-

April 7th- School Resumes

April 8th- Spring Pictures sent home

April 27th- Board Meeting

Phonics-

Students will continue to practice sentence formation, sight words, and building CVC words. Please practice the weekly sight words with your child.
