Dear Superintendent,

See attached FOIA Request.

When initially responding to the attached FOIA request, please send the first response as a "Reply" email to ad.cuius.bonum@proton.me rather than starting a new thread via a new email. If both parties respond in the same manner (responding to the most recent inbound email from the other party) until the request is fulfilled, there will only be one email thread. Additionally, please remove any "Re: " prefix (or any other "Reply" abbreviation, if any) from the subject line prior to clicking "Send" to ensure that all "Reply" emails related to this request have the same exact "Subject" line text (see above) for sorting purposes. This approach aligns with the statutory duty under 5 ILCS 140/3.5(a)(4), which requires the retention of written communications and responses. By maintaining a single thread, we can ensure that all communications are efficiently organized and retained, facilitating compliance with the Illinois Freedom of Information Act. Thank you in advance for your cooperation in maintaining the

suggested structured communication practice, which we both should be able to agree, is essential for efficient communications, record-keeping, and compliance.

Thus, all written communications surrounding the fulfillment of this FOIA can be archived (print-to-PDF) by both the FOIA officer and the requester as a single document, maintaining a clear and organized record of our interaction.

The 5-day due date for this request is: Friday, March 21, 2025

Thank you for your immediate attention to this public records request.

Subject: FOIA REQUEST #2 for Financial Records Data ... Fiscal Years 2019, 2009, and 1999 (5 ILCS 140/2.5) (RÖE Grouping - 07)

Dear Superintendent,

NOTICE: Please refer to FOIA #1's Notice section (dated March 14, 2025) for detailed instructions on handling this request. Note that there is no attachment to this FOIA #2; instead, all instructions found in FOIA #1 should be referenced and adhered to for this request as well. This serves as a reminder that you are bound by the same requirements and expectations outlined in FOIA #1. In summary, please respond as a "Reply" to this email, removing any "Re: " prefix or other "Reply" abbreviation from the subject line. By maintaining a single thread, we can ensure that all communications are efficiently organized and retained, facilitating compliance and making it easier to track and archive our interaction.

This request is submitted for non-commercial purposes under the Illinois Freedom of Information Act (5 ILCS 140). It is similar to FOIA #1 but seeks financial data for different fiscal years. Please refer to FOIA #1 for detailed instructions on handling this request, including the format for the data and the structured communication practice.

REQUEST #2

We are requesting the actual electronic data maintained by the district's Treasurer for the annual expenses paid to identified vendors, firms, and individuals for the fiscal years 2019, 2009, and 1999 by each school district, including any predecessor districts that existed at the end of each respective fiscal year and have since consolidated or annexed into the current district. This request specifically excludes salaries, wages, and benefits paid to staff members. We are interested in vendors, firms, and individuals who have received total payments of \$500 or more for each fiscal year, regardless of whether this total comes from a single payment or multiple payments.

For convenience and organization, we suggest adding the data for fiscal years 2019, 2009, and 1999 as additional worksheet tabs to the Excel workbook delivered for FOIA #1 (containing FY, 2024, FY2014, and FY2004). This would result in a single Excel workbook containing six tabs (FY2024, FY2019, FY2014, FY2009, FY2004, and FY1999), organizing all responses to date in one file. If this is not feasible, please provide the data for FY2019, FY2009, and FY1999 in a separate Excel workbook following the same format as specified in FOIA #1.

We request that each district's Treasurer certify the electronically maintained data. The certification should be similar to the one requested in FOIA #1, stating that the records are true, correct, and complete copies of all relevant records found in the files of the Office of the School Treasurer, official custodian of all district money as well as all investments owned by the district. This certification should cover the data for fiscal years 2019, 2009, and 1999.

We request a waiver of any applicable copying or processing fees, as this request serves the public interest by promoting transparency and accountability in the use of public funds.

Please add our email address, ad.cuius.bonum@proton.me, to your contact lists to prevent future communications from being flagged as spam.

Under the Illinois Freedom of Information Act, all records in the custody or possession of a public body are presumed to be open to inspection or copying, unless the public body can prove by clear and convincing evidence that the records are exempt from disclosure (5 ILCS 140/1.2). We expect a timely response and adherence to the statutory requirements.

The 5-day due date for this request is: Friday, March 28, 2025

Thank you for your immediate attention to this public records request.

2. Implement appropriate email filtering rules to ensure communications from this address are not diverted to spam, junk, or quarantine folders.
3. Acknowledge receipt of the initial FOIA request email by clicking the "Send read receipt" option in your email client on the same date as received or the next business day. This action:

The court is unlikely to find "the dog ate the requester's well-drafted FOIA" arguments persuasive, especially when the dog should have been put on a leash (as per directives #1 and #2) when warned via this Notice.
2. A determination that the public body has "*acted in bad faith*" as contemplated by 5 ILCS 140/11(j); potentially subjecting the public body to civil penalties.
3. Immediate legal action to compel compliance with FOIA and to seek all available remedies under Illinois law.

Subject: FOIA REQUEST #3_March 23, 2025_Financial Records Data (5 ILCS 140/2.5)_ROE Grouping - 07

Dear Superintendent,

This request is submitted for non-commercial purposes under the Illinois Freedom of Information Act (5 ILCS 140). It is similar to FOIA #1 but seeks financial data for different fiscal years. Please refer to FOIA #1 for detailed instructions on handling this request, including the format for the data and the structured communication practice.

REQUEST #3: FY2020, FY2010, FY2000

We are requesting the actual electronic data maintained by the district's Treasurer for the annual expenses paid to identified vendors, firms, and individuals for the fiscal years 2020, 2010, and 2000 by the school district, including any predecessor districts that existed at the end of each respective fiscal year and have since consolidated or annexed into the current district. This request specifically excludes salaries, wages, and benefits paid to staff members. We are interested in vendors, firms, and individuals who have received total payments of \$500 or more for each fiscal year, regardless of whether this total comes from a single payment or multiple payments.

For convenience and organization, we suggest adding the data for fiscal years 2020, 2010, and 2000 as additional worksheet tabs to the Excel workbook delivered to us in response to FOIA #1 (containing FY, 2024, FY2014, and FY2004). This would result in a single Excel workbook containing multiple "annual" tabs, organizing all responses to date in one file. If this is not feasible, please provide the data for fiscal years 2020, 2010, and 2000 in a separate Excel workbook following the same format as specified in FOIA #1.

We request that each district's Treasurer certify the electronically maintained data. The certification should be similar to the one requested in FOIA #1, stating that the records are true, correct, and complete copies of all relevant records found in the files of the Office of the School Treasurer, official custodian of all district money as well as all investments owned by the district. This certification should cover the data for fiscal years 2020, 2010, and 2000.

We request a waiver of any applicable copying or processing fees, as this request serves the public interest by promoting transparency and accountability in the use of public funds.

Please add our email address, ad.cuius.bonum@proton.me, to your contact lists to prevent future communications from being flagged as spam.

Under the Illinois Freedom of Information Act, all records in the custody or possession of a public body are presumed to be open to inspection or copying, unless the public body can prove by clear and convincing evidence that the records are exempt from disclosure (5 ILCS 140/1.2). We expect a timely response and adherence to the statutory requirements.

The 5-day due date for this request is: Friday, March 28, 2025.

Subject: **FOIA REQUEST #4_March 24, 2025_Financial Records Data (5 ILCS 140/2.5)_ROE Grouping - 07**

Dear Superintendent,

This request is submitted for non-commercial purposes under the Illinois Freedom of Information Act (5 ILCS 140). It is similar to FOIA #1, FOIA #2, and FOIA #3, but seeks financial data for different fiscal years. Please refer to FOIA #1 for detailed instructions on handling this request, including the format for the data and the structured communication practice.

REQUEST #4: FY2021, FY2011, FY2001

We are requesting the actual electronic data maintained by the district's Treasurer for the annual expenses paid to identified vendors, firms, and individuals for the fiscal years **2021, 2011, and 2001** by the school district, including any predecessor districts that existed at the end of each respective fiscal year and have since consolidated or annexed into the current district. This request specifically excludes salaries, wages, and benefits paid to staff members. We are interested in vendors, firms, and individuals who have received total payments of \$500 or more for each fiscal year, regardless of whether this total comes from a single payment or multiple payments.

For convenience and organization, we suggest adding the data for fiscal years **2021, 2011, and 2001** as additional worksheet tabs to the Excel workbook delivered to us in response to FOIA #1 (containing FY, 2024, FY2014, and FY2004). This would result in a single Excel workbook containing multiple "annual" tabs, organizing all responses to date in one file. If this is not feasible, please provide the data for fiscal years **2021, 2011, and 2001** in a separate Excel workbook following the same format as specified in FOIA #1.

We request that each district's Treasurer certify the electronically maintained data. The certification should be similar to the one requested in FOIA #1, stating that the records are true, correct, and complete copies of all relevant records found in the files of the Office of the School Treasurer, official custodian of all district money as well as all investments owned by the district. This certification should cover the data for fiscal years **2021, 2011, and 2001**.

Subject: **FOIA REQUEST #6** March 26, 2026_Financial Records Data (5 ILCS 140/2.5)_ROE Grouping - 07

Dear Superintendent,

This request is submitted for non-commercial purposes under the Illinois Freedom of Information Act (5 ILCS 140). It is similar to FOIA #1, FOIA #2, FOIA #3, FOIA #4 and FOIA #5, but seeks financial data for different fiscal years. Please refer to FOIA #1 for detailed instructions on handling this request, including the format for the data and the structured communication practice.

REQUEST #6: FY2023, FY2013, FY2003

We are requesting the actual electronic data maintained by the district's Treasurer for the annual expenses paid to identified vendors, firms, and individuals for the fiscal years **2023, 2013, and 2003** by the school district, including any predecessor districts that existed at the end of each respective fiscal year and have since consolidated or annexed into the current district. This request specifically excludes salaries, wages, and benefits paid to staff members. We are interested in vendors, firms, and individuals who have received total payments of \$500 or more for each fiscal year, regardless of whether this total comes from a single payment or multiple payments.

For convenience and organization, we suggest adding the data for fiscal years **2023, 2013, and 2003** as additional worksheet tabs to the Excel workbook delivered to us in response to FOIA #1 (containing FY, 2024, FY2014, and FY2004). This would result in a single Excel workbook containing multiple "annual" tabs, organizing all responses to date in one file. If this is not feasible, please provide the data for fiscal years **2023, 2013, and 2003** in a separate Excel workbook following the same format as specified in FOIA #1.

We request that each district's Treasurer certify the electronically maintained data. The certification should be similar to the one requested in FOIA #1, stating that the records are true, correct, and complete copies of all relevant records found in the files of the Office of the School Treasurer, official custodian of all district money as well as all investments owned by the district. This certification should cover the data for fiscal years **2023, 2013, and 2003**.

We request a waiver of any applicable copying or processing fees, as this request serves the public interest by promoting transparency and accountability in the use of public funds.

Please add our email address, **ad.cuius.bonum@proton.me**, to your contact lists to prevent future communications from being flagged as spam.

Under the Illinois Freedom of Information Act, all records in the custody or possession of a public body are presumed to be open to inspection or copying, unless the public body can prove by clear and convincing evidence that the records are exempt from disclosure (5 ILCS 140/1.2). We expect a timely response and adherence to the statutory requirements.

The 5-day due date for this request is: **Wednesday, April 2, 2025**.

Thank you for your immediate attention to this public records request.

1. *If not already done so in response to a previous FOIA request*, immediately add ad.cuius.bonum@proton.me as a trusted contact in all email accounts maintained by, or otherwise confirm that this email address has been added as a trusted contact in all email accounts maintained by:
 - a) The designated FOIA Officer(s) of your public body
"Each public body shall designate one or more officials or employees to act as its Freedom of Information officer or officers." (5 ILCS 140/3.5)
 - b) The Head of the public body as defined in 5 ILCS 140/2(e)
2. Implement appropriate email filtering rules to ensure communications from this address are not diverted to spam, junk, or quarantine folders.
3. Acknowledge receipt of the initial FOIA request email by clicking the "Send read receipt" option in your email client on the same date as received or the next business day. This action:
 - a) Confirms the date and time the FOIA request was sent, as stated in the subject line
 - b) Establishes the timestamp for calculating all subsequent statutory deadlines under FOIA
 - c) Initiates an outbound email from your public body to our address, improving future deliverability

FAILURE TO COMPLY with these directives may result in:

4. Constructive denial of the FOIA request due to non-response within the statutorily mandated timeframe. **Note: "The FOIA request was routed to a spam folder" will not be considered a valid excuse, as compliance with directives #1 and #2 above effectively eliminates this possibility. The court is unlikely to find "the dog ate the requester's well-drafted FOIA" arguments persuasive, especially when the dog should have been put on a leash (as per directives #1 and #2) when warned via this Notice.**
5. A determination that the public body has *"acted in bad faith"* as contemplated by 5 ILCS 140/11(j), potentially subjecting the public body to civil penalties.
6. Immediate legal action to compel compliance with FOIA and to seek all available remedies under Illinois law.

This notice serves as written documentation of your awareness regarding proper handling of communications from this email address.

Be advised that all actions or inactions related to this FOIA request will be meticulously documented and may be used as evidence in any subsequent legal proceedings.

Govern yourselves accordingly.

Subject: **FOIA REQUEST #8** March 29, 2026_Financial Records Data (5 ILCS 140/2.5)_ROE Grouping - 07

Dear Superintendent,

This request is submitted for non-commercial purposes under the Illinois Freedom of Information Act (5 ILCS 140). It is similar to FOIA #1, FOIA #2, FOIA #3, FOIA #4, FOIA #5, FOIA #6, and FOIA #7, but seeks financial data for different fiscal years. Please refer to FOIA #1 for detailed instructions on handling this request, including the format for the data and the structured communication practice.

REQUEST #8: FY2015, FY2005

We are requesting the actual electronic data maintained by the district's Treasurer for the annual expenses paid to identified vendors, firms, and individuals for the fiscal years **2015 and 2005** by the school district, including any predecessor districts that existed at the end of each respective fiscal year and have since consolidated or annexed into the current district. This request specifically excludes salaries, wages, and benefits paid to staff members. We are interested in vendors, firms, and individuals who have received total payments of \$500 or more for each fiscal year, regardless of whether this total comes from a single payment or multiple payments.

For convenience and organization, we suggest adding the data for fiscal years **2015 and 2005** as additional worksheet tabs to the Excel workbook delivered to us in response to FOIA #1 (containing FY, 2024, FY2014, and FY2004). This would result in a single Excel workbook containing multiple "annual" tabs, organizing all responses to date in one file. If this is not feasible, please provide the data for fiscal years **2015 and 2005** in a separate Excel workbook following the same format as specified in FOIA #1.

We request that each district's Treasurer certify the electronically maintained data. The certification should be similar to the one requested in FOIA #1, stating that the records are true, correct, and complete copies of all relevant records found in the files of the Office of the School Treasurer, official custodian of all district money as well as all investments owned by the district. This certification should cover the data for fiscal years **2015 and 2005**.

We request a waiver of any applicable copying or processing fees, as this request serves the public interest by promoting transparency and accountability in the use of public funds.

Please add our email address, ad.cuius.bonum@proton.me, to your contact lists to prevent future communications from being flagged as spam.

Under the Illinois Freedom of Information Act, all records in the custody or possession of a public body are presumed to be open to inspection or copying, unless the public body can prove by clear and convincing evidence that the records are exempt from disclosure (5 ILCS 140/1.2). We expect a timely response and adherence to the statutory requirements.

The 5-day due date for this request is: **Friday, April 4, 2025**.

Thank you for your immediate attention to this public records request.

Dear Mrs. Cole,

I am writing to formally resign from my position as a special education teacher at Lawn Manor, effective June 2, 2025.

This decision was not made lightly, as I have truly enjoyed working with my students, colleagues, and the school community. It has been an incredibly rewarding experience to support and advocate for students with special needs, and I am grateful for the opportunities I have had to grow both professionally and personally during my time at Lawn Manor.

I will do my best to ensure a smooth transition for my students and colleagues before my departure. Please let me know how I can assist during this time. I appreciate all the support I have received and will carry the valuable experiences from this position into my future endeavors.

Thank you for your understanding and support. I look forward to staying in touch, and I hope our paths cross again in the future.

Respectfully,
Therese Byers, BCBA

Dear Dr. Gallagher,

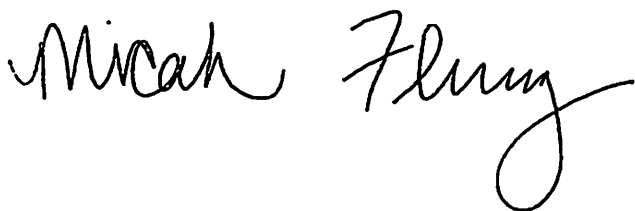

I am writing to formally resign from my position as the school social worker at Hamlin Upper Grade Center, effective 05/30/2025. This decision has not come lightly, as I have appreciated all the opportunities provided to me over the last 3 years. However, after careful consideration, I have decided to pursue new professional opportunities that align with my personal and career goals.

I want to express my appreciation for the opportunity to work with the staff and students at Hamlin Upper Grade Center. It was a great learning experience and I have enjoyed getting to know the students and staff.
