Hello,

We are requesting directory information of honor roll students from high school graduating class 2027, 2026, and 2025. Directory information being name, address, high school, phone, and email, or that which is available. Our goal as a nonprofit is to invite academically eligible students from your district to learn about summer leadership and scholarship opportunities. In order for students to be admitted to our programs and scholarships, students must have a minimum 3.0 GPA. We do not need the GPA information, just a list of students who would be admitted. Is it possible to receive directory information for students who at least have a 3.0 GPA? Again, we do not require the information/data on GPA.

All the best,

**Alfredo "Freddy" Lozano**
